

Spring Cleanup Program

The City of Valparaiso is giving residents the opportunity to reduce household clutter and dispose of unwanted household material by placing them along the street for collection. The 2017 Spring Cleanup Program will run April 10 – 13. The free event provides Valparaiso residents with the opportunity to dispose of large\bulky items that are not accepted through trash services (such as old furniture, appliances, tires, and mattresses)

See the map below to find your scheduled pickup date for each neighborhood.

Neighborhood collection occurs only once during the Spring Cleanup Program so it is important to place items at the curb no later than 6 a.m. on your scheduled pickup date. Materials may be placed at curbside up to 96 hours prior to your scheduled pickup date.

Questions about this program should be directed to the Public Works Department at 729-5407.

Note: The Spring Cleanup Program is not performed for commercial establishments, churches, or schools. Please contact the Public Works Department at 729-5407 with any questions.
