

E-Billing Request

Through paperless E-Billing* customers have the option to receive their cable and/or utility bill via e-mail rather than a mailed paper bill. Paperless E-Billing is beneficial for customers and for the environment. Your E-Billing enrollment reduces the number of paper bills and envelopes you receive in the mail. In addition, E-Billing offers a convenient online bill payment option for subscribing customers.

City of Valparaiso customers can now pay their utility bills online 24/7 with a credit card, debit card, or ACH (eCheck). This service is provided through Pay N Seconds, a third party payment processor, specializing in secure bill payment options. To make a payment through this service, simply click on the Click to Pay button below and you will be instantly directed to Pay N Seconds.

If you are using this service for the first time, you will be prompted to register a new Pay N Seconds account prior to making your payment. When registering your account, you will need your CUSTOMER # and ZIP Code from your utility billing statement. If you have more than one utility account with City of Valparaiso, Pay N Seconds allows you to add multiple utility accounts under the same login. Please register first with your main utility account.
